● CRITICAL — 1 finding

● CRITICAL

OG-001

No OpenGraph tags on homepage

LOW EFFORT

Evidence: og:title, og:description, og:image all absent from homepage.

Action: Add og:title, og:description, og:image, og:type to every page template.

▲ HIGH — 4 findings

▲ HIGH

CEA-004

Statistics without source citations on /

LOW EFFORT

Evidence: 3 uncited stats, 0 cited. Princeton KDD 2024: sourced stats → +40% AI citation.

Action: Add source links or parenthetical citations to every statistic.

▲ HIGH

EEAT-001

No author bylines detected on homepage

MEDIUM EFFORT

Evidence: author_count=0, has_person_schema=False. No bylines, bio sections, or author credential markup.

Action: Add named author bylines + Person schema to blog and editorial content.

▲ HIGH

RSL-001

No RSL 1.0 machine-readable license declaration

LOW EFFORT

Evidence: /.well-known/rsl.json returns 404 and no in HTML.

Action: Deploy /.well-known/rsl.json with RSL 1.0 to declare content reuse terms for AI crawlers.

▲ HIGH

RSL-003

Zero AI discovery endpoints present (0/14 checked)

LOW EFFORT

Evidence: None of 14 AI discovery endpoints return HTTP 200.

Action: Deploy /.well-known/ai.txt and /ai/summary.json as minimum viable AI discovery.

◆ MEDIUM — 12 findings

◆ MEDIUM CEA-003 Low question-format heading ratio (4%) on /

LOW EFFORT

Evidence: 4/104 H2/H3s are questions. Sample: ['do it all in less time.', 'do it all in less time.']

Action: Rewrite key H2 headings as questions to improve FAQ schema eligibility and AI direct-answer targeting.

◆ MEDIUM CEA-005 No FAQ section on /

MEDIUM EFFORT

Evidence: has_faq_section=False, estimated_qa_pairs=0.

Action: Add FAQ section + FAQPage schema.

◆ MEDIUM CEA-008 No content freshness date marker on /

LOW EFFORT

Evidence: No visible 'As of [date]' or 'Last updated' text marker found.

Action: Add 'Last updated: [Month Year]' visible text. Freshness is top Perplexity ranking signal.

◆ MEDIUM CEA-009 Low answer-capsule ratio (20%) on /

MEDIUM EFFORT

Evidence: 1/5 H2/H3 sections have a 40+ word direct answer capsule. ChatGPT citation correlation: 72.4% of cited pages have ≥50%.

Action: Add a direct 40–60 word answer paragraph immediately after each major H2/H3 heading.

◆ MEDIUM EEAT-002 No review platform links from homepage

LOW EFFORT

Evidence: No G2, Capterra, Trustpilot, or other review platform links detected.

Action: Add G2/Trustpilot badges. SE Ranking 2026: review links → 3× citation probability.

◆ MEDIUM EEAT-003 Social profile links absent from homepage HTML

LOW EFFORT

Evidence: No LinkedIn company, Twitter/X, or YouTube links detected in homepage HTML.

Action: Add visible social links in footer HTML matching the sameAs JSON-LD values.

◆ MEDIUM EEAT-004 No original research or proprietary data signals

HIGH EFFORT

Evidence: No 'our study', 'we surveyed', 'n=X respondents' signals found.

Action: Publish an original study or benchmark. Original research is the highest-value citation magnet.

◆ MEDIUM EEAT-005 No privacy policy link detectable on homepage	LOW EFFORT
Evidence: Privacy policy link pattern not found in homepage HTML. Action: Add a visible Privacy Policy link to the homepage footer.	
◆ MEDIUM IMG-001 6 images missing alt text	LOW EFFORT
Evidence: Images without alt attributes: ./media_15d0c67d468c6ab860bd67d3af2d0998c15f45bbc.webp?width=750&format=web, ./media_180a8327664c8013005414b32d539cb95ce16ef7a.webp?width=750&format=web, ./media_13dac5079e7f5c35eb785e3e282b020d3859f4c5a.webp?width=750&format=web... Action: Add descriptive alt text to all images. Alt text is an AI-indexable content signal.	
◆ MEDIUM RC17-001 No RSS/Atom feed found	LOW EFFORT
Evidence: Checked /feed, /rss.xml, /atom.xml, /feed.xml — all returned non-200. Action: Create an RSS/Atom feed. Perplexity and AI news agents index feeds for freshness.	
◆ MEDIUM SC-001 No Speakable schema	LOW EFFORT
Evidence: site_has_speakable=False. No SpeakableSpecification markup found. Action: Add Speakable schema to product descriptions and key content sections.	
◆ MEDIUM SC-002 No FAQPage schema	MEDIUM EFFORT
Evidence: site_has_faqpagen=False. Action: Add FAQPage + Question + Answer schema to key landing pages.	

LOW — 4 findings
